

ELL's Nail Diary

Admin Dashboard Guide

A simple guide for Ellah to manage the website

Website: <https://ells-nail-diary.vercel.app>

Admin: <https://ells-nail-diary.vercel.app/admin>

Password: **ELLAdmin2026!**

This guide covers:

- **Page 2:** How to upload and manage gallery photos
- **Page 2:** How to edit service prices
- **Page 3:** How to edit website content

1. Gallery Management

Upload your nail art photos directly from your phone or computer.

Steps:

1. Go to **/admin** and enter password: **ELLAdmin2026!**
2. Click the **Gallery** tab
3. Click **"Upload Photo from Device"**
4. Select a photo from your device
5. The photo is automatically saved and appears on the website

To delete a photo: Hover over it and click the red trash icon.

2. Editing Service Prices

Change prices anytime — holidays, promotions, adjustments.

Steps:

1. Click **Services & Pricing** tab
2. Type the new price in the price box
3. Click **"Save All Prices"**
4. Prices update on the website immediately

3. Editing Website Content

Update name, phone, email, Facebook link, and hours.

1. Click **Content** tab
2. Edit any field (name, phone, email, etc.)
3. Click **"Save Content"**
4. Changes appear immediately

4. Language Support

4 languages: English, Filipino, Korean, Chinese. Visitors switch using the globe icon.

5. Booking System

Clients fill the booking form. Details open in WhatsApp automatically.

6. Business Card

Visit [**/business-card**](#) for a digital business card with QR code.
